Celebrating Women in Science and Engineering Grant Program
REQUIRED EVALUATION FORM – page 2

Please provide a brief description of the program and all events held. Please include a description of the topics discussed at each event – including topics relating to underrepresentation of women in science; the audience each event attracted (eg. faculty, postdocs, graduate students, etc.); and how the speaker/s interacted with those who attended the event/s.

Please describe your assessment of the reactions/responses of event attendees to the speaker and/or events held:

Please describe the ways in which the speaker and the events held helped to promote the participation and advancement of women in science and engineering.
