SEARCHING FOR EXCELLENCE AND DIVERSITY:
A Workshop Series for L&S Search Committees

In collaboration with L&S Office of the Dean, WISELI offers a two-session workshop series for chairs and members of search committees. These two sessions aim to help search committees run effective and efficient searches, recruit excellent and diverse applicants, conduct fair and thorough reviews of candidates, and successfully hire selected candidates for available positions. Both sessions rely on active learning principles and encourage small groups of search committee chairs to learn from each other’s experiences. Each session is described below:

Session 1: We will share strategies for running an effective and efficient search, discussing diversity with search committee members, actively recruiting a diverse and highly qualified pool of candidates, increasing awareness of unconscious assumptions and their influence on the evaluation of candidates, and sharing strategies for minimizing the influence of unconscious bias.

Session 2: Participants will report on their recruitment efforts, their satisfaction with the diversity and excellence of their applicant pool, and on how their committees relied on information from research on bias and assumptions. This session will focus on how to run fair and effective interviews and on-campus visits for final candidates, revisit issues related to the evaluation of these candidates, and discuss strategies for successfully hiring selected candidates.

WHO SHOULD ATTEND: Search Committee Chairs; Search Committee Members; Department Chairs; Administrators assisting search committees.

Each search committee should send at least one member (preferably the committee chair or a member who has not previously participated) to attend both Session 1 and Session 2. It is preferable to have the same individual attend both sessions. If this is not possible, a different member of the search committee can attend the second session—if they have been briefed by the person attending the first session.

Session 1: Friday, September 27, 2013; 9:30-11:30am; Room 4207, Helen C. White
Session 2: Friday, November 22, 2013; 9:30-11:30am; Room 4207, Helen C. White
